

April 24, 2020

Greetings Pathways Families:

The staff at Pathways In Education would like to express a humble thank you for your continued support during this unprecedented time. With the COVID-19 pandemic continually evolving and having an impact on daily routines, Pathways In Education is committed to keeping you abreast of operational changes, as well as making you aware of new resources to support student success. With that said, our school community has remained in communication with governing officials for guidance around health, safety precautions, and student academics.

One update that we would like to provide you is related to the graduation ceremony scheduled to take place on Tuesday, June 2nd. Unfortunately, we're forced to postpone the ceremony at this time. However, we're committed to providing Pathways seniors the opportunity to celebrate and be celebrated for their amazing accomplishments! We will let you know as soon as a new graduation ceremony date and location have been confirmed.

As always, we ask for your continued support through the following:

- Provide a quiet workspace for your child to complete homework
- Inquire about what your child is learning
- Help check progress and understanding
- Continue to complete the attendance logs digitally at attendance.pathwaysedu.org.
- Most importantly—stay positive! We know what a challenge this is, but we're all in it together!

We as a school community will continue to communicate any new information received from governing officials as the situation continues to unfold. Again, we thank each of you for your support through these trying times.

Warmest Regards,

Kris Alexander
Principal
Pathways In Education
