Greetings Pathways Families:

This week marks the beginning of a new learning period. Our team is working diligently to stay connected with every student and still holding appointments twice a week. We're happy to report that most students are still progressing towards their goals despite the transition to distance learning!

Many students are using our online platform, Edmentum. Here is a [link to a video](#) that will provide an overview of the platform if you would like to familiarize yourself with it.

Since we will be connecting and engaging with our students virtually for a few more months, we want to make sure every student has what they need to continue on their path to graduation. Teachers are available to answer progress questions and offer support whenever needed. Parents, we would love to hear from you as well! Please see all teacher and team member contact information below. We are all here to help in any way we can!

Teresa Widmer	SGI Teacher (English)		teresawidmer@pathwaysedu.org

As always, we ask for your continued support through the following:

- Provide a quiet workspace for your child to complete homework
- Inquire about what your child is learning
- Help check progress and understanding
- Continue to complete the attendance logs digitally at attendance.pathwaysedu.org.
- Most importantly—keep up your positive energy. We're all in this together!

Warmest Regards,

Kris Alexander
