

May 22, 2020

Greetings Pathways Families!

We hope you and your loved ones are safe and finding ways to stay positive. Thank you for your continued support and engagement during these challenging times. Please read through the following updates and reminders for the week:

- Learning Period 10 will end on 5/22/20. All students should be working to complete at least five units.
- Daily distance learning will continue for the remainder of the school year.
- All seniors set to graduate this year will be sent a Jostens order form for cap and gown in the next few weeks. Additionally, we are working on finalizing our graduation ceremony plans. Once things are squared away, we will notify you of the date, time, and location of the event.
- We continue to be available to support students should they need to borrow a Chromebook. Please contact your teacher if this applies to you.
- StudentTrac Parent Portal information coming soon! This will allow you as parents to monitor your child's academic progress throughout the school year.
- Please call the school at (602) 626-7057 if you need support. Voicemails can be left at our campus. The voicemail is directed to our Center Coordinator, Frances Olaguez, who will return calls as soon as possible.
- As always, Pathways is enrolling students. Accommodations can be made for remote orientation into our program. Reach out to any campus for inquiries!
- Continue to complete the attendance logs digitally at attendance.pathwaysedu.org.

If the staff of Pathways can help support you and your child with other needs, please contact the school or your child's teacher. Again, we thank each of you for your support through trying times, and remember to remain positive and safe.

Warmest Regards,

Kris Alexander
Principal
Pathways In Education
